MOCKTAILS

APPLE & ELDERFLOWER FIZZ **£3.50**

Fresh apple juice, lemonade and elderflower cordial

STRAWBERRY LEMONADE **£4.50**

We use our homemade strawberry lemonade syrup - which we make using our Bird & Blend Tea Co. herbal strawberry lemonade tea bags - and mix this with freshly muddled lemons, lots of ice and a dash of sparkling lemonade.

ICED MOJITEA **£4.50**

We use our green tea blend from Bird & Blend Tea Co. to make this refreshing, guilt free drink. The Mojitea tea bags are a blend of lime, mint and green tea – inspired by the Cuban mojito. We make a syrup from this, and mix it with fresh lime, mint, ice and soda water.

SUSSEX GINS

Mayfield Sussex Hop Gin - **£4.75**

Made just down the road in Mayfield, this gin is distilled in a copper pot still with seven botanicals. It is full of citrus on the nose and has a sweet bitterness on the palate. Perfect serve with Folkingtons tonic, orange and juniper.

Chilgrove Sussex Dry - £4.75

Made at the foot of the South Downs, this gin is handcrafted using traditional methods and distilled with natural mineral water found flowing through the chalky South Downs. Made solely from grape alcohol this gin has good acidity with sweetness and with hints of citrus, water mint and juniper. Perfect serve with Folkingtons tonic, mint and pink peppercorns.

Seven Sisters - £4.75

Made by the team at the Rathfinny Estate, this gin, along with everything else they produce, is superb. Light and citrusy with a sweet edge, it really is royalty amongst gins. Rathfinny, located on the South Downs between Seaford and Alfriston, is a truly beautiful setting. Their faultless approach to alcohol production, and unwavering focus on their product, culminates in fantastic end results. Perfect served as a sipping gin with ice and orange zest or with Folkingtons perfectly light tonic.

Brighton Gin - £4.75

Made by gin fanatics in Brighton, this gin is modern, fun and fresh. All bottles are hand filled, labels hand stuck and each bottle carefully dipped in wax this distillery focuses its attention on its carbon footprint and of course producing excellent gin. Perfect serve with Folkingtons perfectly light tonic and fresh mint.
